2018-2019 TIC TOC CIRCULATING ART PAINTINGS COLLECTION ROTATION SCHEDULE

Procedure: School Reps pack up paintings in their bags (cardboard on the glass side), and leave them by the school door for the driver. This must be done at any time on **Wednesday**. Driver picks up **very early on Thursday morning**, for delivery to the next school listed below your school — (Orchard receives from Central). If you forget to pack up your paintings and you miss the driver, you *must* call the next school and make arrangements to deliver them yourself.
