We are now celebrating more than 50 years of bringing art and theater to our children through our theatre productions and our Classroom Art Docent Program. TICTOC maintains varied and extensive collections of framed prints and artifacts (original and reproductions) which are displayed in our member elementary schools in Ridgewood, Glen Rock, Midland Park, Ho-Ho-Kus, and Radburn. Docent volunteers bring these articles into the classroom to introduce distinct aspects of art and culture to our students.

Sleeping Beauty

This musical adaptation from the original story by Charles Perrault follows the plot of the traditional fairy tale, but adds delightful surprises and comic situations. The Fairies' wondrous gifts to the child are given until one disgruntled fairy arrives to announce that her invitation was overlooked. A prick on the spinning wheel will take its toll on the kingdom. Will destroying all the spinning wheels be enough to save the king's daughter? Find out as this tale illustrates that "beauty is in the eye of the beholder" and true goodness is found only in a loving heart.

Considered William Shakespeare's most successful comedy, *A Midsummer Night's Dream* has something for everyone. From the regal elegance of the Athenian court to the lowbrow antics of the "rude mechanicals," from the passion-filled plights of the lovers to the mischievous magic of the fairies, *Midsummer* is sure to please the entire family!
